Contribution Report

cirvannaco-png/Nakima

Generated August 14, 2026 at 17:08 UTC

This report reflects provenance metadata captured at the time each contribution was made (agent, model, human reviewer, and whether AI output was accepted verbatim or edited). It is a record of what Nakima logged, not an independent forensic determination of authorship.

Summary

Total tracked changes	3
Lines added	74
Lines removed	8

By Contributor Type

Type	Changes	Lines +	Lines -
AI Agent (accepted as generated)	1	40	5
Human-edited AI output	1	22	3
Human	1	12	0

By Agent / Model
